Kris Kross

Kris Kross? You see these kids?  
They wear their clothes backwards  
12 years old with earrings?  
Who taught these kids how to dress?  
Do their parents dress this way?  
My kids better not dress like this  
I don't know, it must be- must be an Atlanta thing  
They wear their clothes four sizes too big  
Gotta be a fad  
Hey, I used to wear bell bottoms  
At least I didn't have to unzip my butt to take a leak  
So anyway, look out for this look they call totally krossed out
