

Take Um Out

Kris Kross

Take Um Out! Take Um, Take Um Out!
(I'm uh)
Take Um Out! Take Um, Take Um Out!
(Yeah!)
Take Um Out! Take Um, Take Um Out!
(They better find another rep, 'cause I'm about to take um out!)

Come, come take a dip, as I toughly, roughly repeatedly rip
Of you punks that's got a whole lot to live for
It ain't my fault, you and your crew came soggy
And didn't think about being hard until you saw me
So what you did is make it good, hit 'em good
But for me to you it sounds like you swinging on (DEEZ NUTZ!)
Tryna look like, sound like, hang around like, be down like the quicker quic
ker ripper, right?
(But you not welcome quicker baby rock baby pop, when we do what we do we ro
ck the party non-stop)
Nasty, nappy, saggy baakwards pants rude boy
Totally Krossed Out is my hood that's the truth boy
I got tough rhymes, 'nough rhymes to go around
Flip flop, drop 'em, pick 'em up and break 'em back down!
Uhh, can you feel it (Yeah, yeah!)

Take um out is what I had to do, (Uhh!)
To show 'em that they wasn't ready for my crew. (Uhh!)
I hope you ain't playing 'cause I ain't in the mood
All I'm in the mood for is treating you like Chinese food!
Nick nack, Daddy Mac's got the mic right
Bring it down on these fools trying to floss on the other side
(Let them know they gets no love)
Indeed, showing these niggas what I'm made of!
(But you not welcome quicker baby rock baby pop, when we do what we do we ro
ck the party non-stop)
How you gon' diss my sound, we ain't real G
When them niggas you be rolling with is straight R&B
No flavour-ism, a lot of favourtism
They tried to diss the Kris when diggity-dope is what I is, uh
I hit you like the Chronic, hit you like the Chronic
What you tryna do is supersonic but your nigga done it
