

Addict

Kris Lawrence

My baby turned me into an addict
Lovin' her just feels so good
You see I've been trying to break her like a bad habit
But for once I know that I never could
Is it the way she keeps me up all night (aw yeah)
Oh no, I wouldn't want nothing else
'Cuz sometimes it feels so wrong
But it feels so right
She's the only one that makes me fly

I'm so high, I'm so high
I never ever felt so alive
I'm so high on cloud nine
Girl, you're so addictive
Your love's got me feelin' so high

Ooh ooh ooh, it's so unreal
The way that you're makin' me feel
It's fantastic
Ooh, it's like magic
An overdose of you can kill
She takes me to places that I've never been
Oh, she makes a saint wanna sin
I spend all my time
Don't ask me why
But she's the only one that makes me fly

I'm so high, I'm so high
I never ever felt so alive
I'm so high on cloud nine
Girl, you're so addictive
Your love's got me feelin' so high

Don't overdose
Gotta have self control
Look what you're doing to me
I never felt this before
'Cuz girl, your love feels so good
I'm addicted to you, oh
You make me feel so good, baby
You make me feel real good
(You make me an addict)
I'm so addicted to you
(A certified addict)

I'm so high, I'm so high
I never ever felt so alive
I'm so high on cloud nine
Girl, you're so addictive
Your love's got me feelin' so high

You don't know what you're doin' to me
You got me so addicted, girl
(I'm so high)
You blow my mind never thought I could be
(You got me addicted)
I love addict

You made me an addict
