Forever

Kris Lawrence

You are the sun
You are my life
And you're the last thing on my mind
Before I go to sleep at night
You're always round
When I'm in need
When trouble's on my mind
You put my soul at ease

There is no one in this world
Who can love me like you do
So many reasons that I
Wanna spend forever with you

I'll be lovin' you, forever
Deep inside my heart you'll leave me never
Even if you took my heart
And tore it apart
I'll be lovin' you still, forever

We've had our fun
And we've made mistakes
But who'd have guessed along that road
We learn to give and take
It's so much more
I could have dreamed (I could have dreamed)
You make lovin' you
So easy for me

There is no one in this world
Who can love me like you do
That is the reason that I
Wanna share forever with you

I'll be lovin' you, forever
Deep inside my heart you'll leave me never
Even if you took my heart
Tore it apart
I'll be lovin' you still, forever

And girl, I pray you'll leave, me never
'Cause this is a world
Where lovers, often go astray
But if we love each other
We won't go, won't go that way
So put your doubts aside
Do what it takes, to make it right
'Cause I'd love you, forever
No one can tear us apart

I'll be lovin' you, forever (forever)
Deep inside my heart you'll leave me never
Even if you took my heart
Tore it apart
I'll be lovin' you still, forever (forever!)

(I'll be lovin' you forever)

Can't eat, can't sleep, I can't breathe, whenever I'm without you
(Deep inside my heart you'll leave, me never)
We walk, I stand tall, when I talk, only talk about you
Even if you took my heart
Tore it apart
I'll be lovin' you still, forever

And girl, I'd love you still... forever...
