

I'd Rather Be Alone

Kris Lawrence

You want me to forgive you
You said, please, understand
Girl, you made me a fool
I thought that I was your only man
You don't know how it hurts me
To learn that I was wrong
Though I gave you my heart
You were just playing me all along

Too late to work it out
'Cuz I know my minds filled with too much doubt
To ever try it again
I guess deep down I know you'll have to go

But it's just isn't fair, 'cuz I still care
Although I love you
I'd rather be alone (I'd rather be alone)
I know it's wrong, I can't go on
Although I'll miss you
I'd rather be alone (I'd rather be alone)

There was no need to use me
There was no need to lie
When I think of times
We were together, girl, I just cried
It's crazy but I still love you
After all things you've done
You don't know what you mean to me
Baby, I thought that you were the one

Too late to work it out
'Cuz I know my minds filled with too much doubt
To ever try it again
I guess deep down I know you'll have to go

But it's just isn't fair, 'cuz I still care
Although I love you
I'd rather be alone (I'd rather be alone)
I know it's wrong, I can't go on
Although I'll miss you
I'd rather be alone (I'd rather be alone)
