

Suddenly

Kris Lawrence

I used to think that love was such a fairy tail
Until that first hello, until that first smile
But if I had to do it all again
I wouldn't change a thing, cos this love is everlasting

Suddenly, life has new meaning to me
There's beauty up above, and things we never take notice of
You wake up, suddenly your in love

Ooh yeah

Girl you're everything a man could want and more
One thousand words are not enough to say what I feel inside
Holding hands as we walk along the shore
Never felt like this before, now your all that I'm living for

Suddenly, life has new meaning to me
There's beauty up above, and things we never take notice of
You wake up, suddenly your in love

Each day I pray, this love affair will last forever
Oh hoh...

Suddenly, life has new meaning to me
There's beauty up above, and things we never take notice of
You wake up, suddenly your in love
Ooh...

There's beauty up above, and things we never take notice of
You wake up, suddenly your in love
