

Try Again

Kris Lawrence

I can feel ya
I know it's one of those days
That's why I'm here to tell you
It's gonna be ok
I know it's hard, but try
To get it off your mind
'Cuz sometimes it takes a wrong
To make it right

'Cuz when we're mad it makes it hard for us to see
Just how beautiful our lives can really be
No one said it's gonna be easy
So wipe your tears and try to smile

If it doesn't kill ya, it should only make you stronger
You got your whole lifetime, don't you ever say it's over
'Cuz my mama say that no one's perfect
So it shouldn't be so bad to try again
Just get back up and try again

You and I should learn to face our fears
'Cuz we will never know until we try
And I'll hold your hand until you understand
That life always leaves us asking, "why?"

'Cuz when we're mad it makes it hard for us to see
Just how beautiful our lives can really be
No one said it's gonna be easy
So wipe your tears and try to smile

If it doesn't kill ya, it should only make you stronger
You got your whole lifetime, don't you ever say it's over
'Cuz my mama say that no one's perfect
So it shouldn't be so bad to try again
Just get back up and try again

And if you should fall, just get back up and fight
There's no giving up, don't stop until it's right
Try and try again, try and try again
Try and try again, again
Try and try again, try and try again
Try and try again, again

If it doesn't kill ya, it should only make you stronger
You got your whole lifetime, don't you ever say it's over
'Cuz my mama say that no one's perfect
So it shouldn't be so bad to try again
Just get back up and try again

It's alright... just try again...
