

Unbreakable

Kris Lawrence

Unbreakable...

Unbreakable...

You and me girl
We could make it through whatever
Thought that I was good
But with you, I'm only better
The way you love me, girl
You got me feeling strong
Throw the world at us
'Cuz we can take it on

Ooh, nothing's gonna stop us
Nothing's gonna stop us now
Ooh, nothing's gonna stop us
Nothing gonna stop...

Feel that bass in your chest
Feel that bass in your chest
Feel that bass in your chest
Feel that bass in your chest
Feel that bass in your chest
Feel that bass in your chest
Feel that bass in your chest
Feel that...
Nothing's gonna stop us now

Unbreakable...

Unbreakable...

I'm your superman
Girl, you're my Lois
Without you by my side
I feel so hopeless
The way you love me, girl
You got me feeling strong
Throw the world at us
'Cuz we can take it on

Ooh, nothing's gonna stop us
Nothing's gonna stop us now
Ooh, nothing's gonna stop us
Nothing gonna stop...

Feel that bass in your chest
Feel that bass in your chest
Feel that bass in your chest
Feel that bass in your chest
Feel that bass in your chest
Feel that bass in your chest
Feel that bass in your chest
Feel that...
Nothing's gonna stop us now

Nothing's gonna stop us
Nothing gonna stop...

Unbreakable...
Nothing's gonna stop us now
Unbreakable...
Nothing's gonna stop us now

Feel that bass in your chest
Feel that bass in your chest
Feel that bass in your chest
Feel that bass in your chest
Feel that bass in your chest
Feel that bass in your chest
Feel that bass in your chest
Feel that bass in your chest
Feel that...

Nothing's gonna stop us
Nothing gonna stop...
Nothing's gonna stop us
Nothing gonna stop...
