

Antares

Kris Wu

You can call me ET
From another galaxy
Can't find me on the map
Never know where I'm at
There's a place
Outer space
There's a place
Outer space

Doing numbers, they should call me Raymond (Yah, yah)
I've been on a jet, and do not coach me
Redline in that toy, I'm goin' top speed
Sit so high up, it'll make your nose bleed, yeah

I know she noticed me
(I think she know)
Standin' in front of me (Yeah)
(Standin' in front of me)
I found it hard for her not to see (Yeah, huh)
I know, I know

Diamonds will make you blind (Ay)
Out of sight, out of mind
Tell 'em I never mind
Then I pull up, I pull up, I pull up
Ay, yah

You can call me ET
From another galaxy
Can't find me on the map
(On the map)
Never know where I'm at (Ay)
There's a place (Ay)
Outer space (Yeah)
There's a place (Ay)
Outer space (Yeah)

You can call me ET
From another galaxy
You can't find me on the map
(On the map)
Never know where I'm at (I'm at)
There's a place (Ay)
Outer space (Yeah)
There's a place (Ay)
Outer space (Yeah)

And I ain't tummin' back (Yeah)
And I ain't givin' her back (Ay)
Walkin' to your favorite store (Ay)
Told 'em to give me the rack (Ay)

Ay, ay
Yeah, that's me
(That's me)
Big shot on big screen
(Ooh, yeah)

We don't look at tags
(Tell 'em what)
Supreme duffel bags

She fell in love with the drip
I got her body on me, ay
If they gon' lookin' for me, ay
Tell 'em I'm up in the suite
Yah, yah, ooh (Ooh)

Just tellin' that's the truth
Ah, ooh, ay
This is where I do
Ah, ooh

You can call me ET
From another galaxy
Can't find me on the map (Yeah)
Never know where I'm at (Ay)
There's a place (Ay)
Outer space (Yeah)
There's a place (Ay)
Outer space (Yeah)

You can call me ET
From another galaxy
You can't find me on the map
(On the map)
Never know where I'm at (I'm at)
There's a place (Ay)
Outer space (Yeah)
There's a place (Ay)
Outer space

You can call me ET
From another galaxy
There's a place
Outer space
There's a place
Outer space
