You could have been anywhere in the world
But you're here with me
She gon' lie to you about her whereabouts
You'll be with me, yeah
I really want freedom
She really don't need us
She really can't keep up
I keep falling out of love (keep up)
Her eyes got me peaking (peaking)
And the headache got me going
I had her pillow talking and she told me
She just want a little freedom (freedom)
She gon' lie to you about her whereabouts
Just for some freedom, yeah
She wanna hang with her friends on the weekend
She just want that freedom (freedom)
