

# Selfish

Kris Wu

A-all I think about is money all the time, I be so selfish  
I chose this life, I be so reckless  
Got these girls feelin' they like they're so special  
You can try and kill my vibe but I won't let you

All I think about is money all the time, I be so selfish  
I chose this life, I be so reckless, you know  
Got these girls feelin' like they so so special  
You can try and kill my vibe but you won't, but you won't

You can try and kill my vibe yuh  
You just wasting time  
All my shit is designer  
There's that new Yifan yeah ooh ooh  
Bet you want a scoop  
Come right I'll school ya  
Take a da da ooh  
I keep it clean  
Hot on the street  
Don't give a fuck  
If you're been fuckin' with me  
I'm in the lead  
We're the elite

I'll be stuntin' stuntin' stuntin' stuntin'  
You be runnin' runnin' runnin' runnin'  
What you know about the life?  
I've got money on my mind  
I get money all the time  
Stay smooth  
Leave the drama all behind  
I've been known to drop or die  
I'm just out here

All I think about is money all the time, I be so selfish  
I chose this life, I be so reckless  
Got these girls feeling like they're so special  
You can try to kill my vibe but I won't let ya

All I think about is money all the time, I be so selfish  
I chose this life, I be so reckless (you know)  
Got these girls feelin' like they're so so special  
You can try and kill my vibe but you won't, but you won't

I be so reckless  
Wildin' out in the studio  
Taking out all the best  
You'll be a victim runnin' up  
I'll be so great  
I'll be so reckless  
I can't stop flexin'  
Ice on my necklace (ice)  
Shawty look ready  
Give me the deli  
You look you're ready  
Check how I fuck with the beat  
I flick the switch like a DJ

[?] version of of Yao Ming  
Ain't no one dumpin' on me, yeah  
Oh no, I've done it all before, yeah  
Oh oh, I've done it all before  
Give it a way  
How about [?]  
Feel like a holiday  
I can do it all day  
I'm livin' for this time  
This is what you want  
I can't get enough, oh yeah

All I think about is money all the time, I'm so selfish  
I chose this life, I be so reckless  
Got these girls feel her like they're so special  
You can try to kill my vibe but I won't let ya
