

Minotaur

Krisiun

In a dawning pale age of infernal works of the achery,
A demonic bull God is revered and worshipped.
In the shores of a territory doomed to embrace
The fury of the mighty sea gods curse
A broken oath is sentenced as the mighty tide is blown
Carrying spells of unnatural lust to unify God and man.
Howls of a demon queen seduced to an enslaving desire
Inhuman passion to an animal lust bathed on sperm
scorpions and snakes.
The offspring of an aberration was cast to unify god and
man
Mighty child half man half beast shall be thrown into the
twisting maze
Minotaur to unify God and man.
Hunger lord of the labyrinth ferocious as merciless
Worshipped as God feared as killer devourer of children
and womens flesh,
Minotaur to unify God and man.
