

## Decided

Kristene DiMarco

Lord, give me the strength and the faith  
To walk through the weight of today  
To stand and not try to escape  
What flows through Your heart

So in the garden, I'd be a good friend  
Aware of the moment I'm in  
And I'd choose it all over again  
To stay where You are

I have decided to follow Jesus  
I have decided that there's no turnin' back  
I've been invited into communion  
I have decided that there's no turnin' back

As the cross of Your suffering is raised  
Lord, help me to stand in this place  
And through sorrow remain face to face  
And not turn away

'Cause I have decided to follow Jesus  
I have decided that there's no turnin' back  
I've been invited into communion  
I have decided that there's no turnin' back

It's Your heart that draws me close  
A friendship unlike all I know  
I feel it in my soul, You've become my home  
And if I walk this road alone  
Though none go with me, I press on  
Let the whole world know You've become my home

I have decided to follow Jesus  
I have decided that there's no turnin' back  
I've been invited into communion  
And I have decided that there's no turnin' back, turnin' back

There's no turnin' back  
No turnin' back
