

# Hunt Dog Hunt

Kristian Bush

He can find em down in Louisiana  
All the way across Alabama  
Tracks em down and gonna find those pretty little Georgia peaches  
Even when he gets to Carolina  
Won't give up until he finds another  
Big front porch where he's gonna sleep the whole day through

Ever seen a hunt dog hunt  
That's just what he does  
You know he won't give up  
'Til he trees what he's looking for  
Yeah, you can bet his nose  
Is on the money wherever he goes  
I know he don't really look like much  
But all the girls just fall in love  
Yeah, ever seen a hunt dog hunt  
Yeah, ever seen a hunt dog hunt

He can swim the river down in Mississippi  
Then waltz his way across the Tennessee  
And lay down lazy get lost in that long tall Kentucky Blue Grass

Ever seen a hunt dog hunt  
That's just what he does  
You know he won't give up  
Until he trees what he's looking for  
Boy, you can bet his nose  
Is on the money wherever he goes  
I know he don't look like much  
But all the girls just fall in love  
Yeah, ever seen a hunt dog hunt  
Yeah, ever seen a hunt dog hunt

Ever seen a hunt dog hunt  
That's just what he does  
You know he won't give up  
Until he trees what he's looking for  
Boy, you can bet his nose  
Is on the money wherever he goes  
I know he don't look like much  
But all the girls just fall in love  
Yeah, ever seen a hunt dog hunt  
Yeah, ever seen a hunt dog hunt  
Have you ever seen a hunt dog hunt?  
You ever seen a hunt dog hunt...
