

# When's The Last Time

Kristian Bush

When's the last time that you walked outside  
Played in the rain and opened your eyes  
When's the last time that you woke up laughing  
Then fell asleep dancing in the moonlight

When's the last time you went spinning in the kitchen  
Playing like children yeah spinning like a top  
When's the last time you stopped trying to be perfect  
You know it's never really worth it without the cherry on top

When's the last time you saw the moon hang low for the lonely?  
When's the last time you kissed her and told her she's the only

Hey yeah?  
When's the last time?  
Hey yeah?  
When's the last time?

When's the last time you tried to find your way home?  
The roads all changed, has it been that long?  
When's the last time you looked up from your feet  
Talked to stranger when you walk down the street?

Go ahead, take a lap, 'cause you made it this far  
I'm telling you boy, you're doing better than you think you are

Hey yeah?  
When's the last time?  
Hey yeah?  
When's the last time?

How long has it been since you wrote a long letter  
Told your old lover that you'd never forget her?  
How long has it been since you told the truth?  
Since you felt like you?

When's the last time that you daydreamed lazy  
Knew it was crazy but threw up your hands?  
When's the last time heard a song and you loved it  
Finally said fuck it, let's follow the band

Hey yeah?  
When's the last time?  
Hey yeah?  
When's the last time?

Hey yeah?  
When's the last time?  
Hey yeah?  
When's the last time?
