

Faithful

Kristian Stanfill

You were before time and You'll be when it ends
For You have no beginning and no end
Your word will endure, without change it is sure
On Your promises we will stand secure

Faithful, You are ever faithful
You are ever faithful to us God

Your might, You display in the skies everyday
Everything You created for Your praise
From the cross on the earth
To Your throne You return, where You reign
Over all creation never changed, You are never shaken

Faithful, You are ever faithful
You are ever
Faithful to us God
Powerful, You are crowned all powerful
All the world will bow before
You, oh God

You're the song of our soul's salvation
Life that cannot be taken
Solid rock, our firm foundation
Never changed, You are never shaken
