

## Joyful, Joyful

Kristin Chenoweth

Joyful, joyful, we adore Thee  
God of glory, Lord of love  
Hearts unfold like flow'rs before Thee  
Opening to the sun above  
Melt the clouds of sin and sadness  
Drive the dark of doubt away  
Giver of immortal gladness  
Fill us with the light of day

All Thy works with joy surround Thee  
Earth and heav'n reflect Thy rays  
Stars and angels sing around Thee  
Center of unbroken praise  
Field and forest, vale and mountain  
Flow'ry meadow, flashing sea  
Chanting bird and flowing fountain  
Call us to rejoice in Thee

Thou art giving and forgiving

Ever blessing, ever blessed  
Wellspring of the joy of living  
Ocean depth of happy rest  
Thou our Father, Christ our Brother  
All who live in love are Thine  
Teach us how to love each other  
Lift us to the joy divine

Mortals, join the mighty chorus  
Which the morning stars began  
Love divine is reigning o'er us  
Binding all within its span  
Ever singing, march we onward  
Victors in the midst of strife  
Joyful music leads us onward  
In the triumph song of life

Joyful, joyful Lord of life.
