

## I Never Will Marry

Kristin Hersh

One day as I rambled down by the seashore  
The wind it did whistle and the water did roar  
I heard a young girl make a pitiful sound  
As she closed her pretty blue eyes  
In the water to drown

I never will marry, I'll be no man's wife  
I will live single all the day's of my life  
The shells in the ocean will be my deathbed  
The fish in deep water swim over my head

My love's gone and left me  
He's the one I adore  
He's gone and I never shall see him anymore  
She plunged her dear body in the water so deep  
She closed her pretty blue eyes in the water to sleep

I never will marry, I'll be no man's wife  
I will live single all the day's of my life  
The shells in the ocean will be my deathbed  
The fish in deep water swim over my head
