

Moan

Kristin Hersh

in a deep cold
you can't be brave
in a deep cold
you can't be safe

when the wind blows
you won't be strong
when the wind blows
you won't be strong

blows with a spine-chilling
moan

let's drink to each other
and drink each other half to death

i'm jumping out of my skin
i'm jumping out of my skin again
