Your Ghost

Kristin Hersh

If I walk down this hallway Tonight, it's too quiet So I pad through the dark And call you on the phone Push your old numbers And let your house ring Till I wake your ghost

Let him walk down your hallway
It's not that quiet
Slide down your receiver
Sprint across the wire
Follow my number
Slide into my hand

It's the blaze across my nightgown
It's the phone's ring
I think last night
You were driving circles around me

I can't drink this coffee
Till I put you in my closet
Let him shoot me down
Let him call me off
I take it from his whisper
You're not that tough

It's the blaze across my nightgown
It's the phone's ring
I think last night (you were in my dreams)
You were driving circles around me
