

# Life is a Game

Kristina

Ey Ey  
Life is a game  
Ey Ey  
We're all born to play  
Ey Ey  
Twisted is the way  
Sometimes it's not right  
Sometimes it's not fair

Ey Ey  
The journey of life  
Ey Ey  
Gets harder at times  
Ey Ey  
Twisted is the way  
You know how it feels  
To smile through the pain

But today is your day  
This is the moment when you're touching the sky  
On the top of your wave  
No one can stop you from flying so high

This is it it's your time  
You've got the magic when your stars are aligned  
Fill the world with your shine  
Na našich tajných adresách  
Life is a game that you're winning tonight

Ey Ey  
Wolves in the way  
Ey Ey  
Hunting their prey  
Ey Ey  
Bitter is the rain  
Sneaking in the shadows  
They always remain

Ey Ey  
Life is a maze  
Ey Ey  
Sometimes full of haze  
Ey Ey  
Bitter is the rain  
You know how it feels  
When your hopes go astray
