

Lovin' You

Kristine W.

Lovin' you, all I want to do
(All I want to do)
This feels so right
I'm lovin' you, all I want to do
(All I want to do now)
I like the way I'm lovin' you

I used to run, I used to hide
From love, but now I'm satisfied
'Cause you showed me that love could be
So good, so real, and oh so right

So many things I used to let get in my way
Now I open up my arms and say "hey"

Lovin' you, it's all I want to do
For the rest of my life
This feels so right
I'm lovin' you, it's all I want to do
For the rest of my days
I like the way I'm lovin' you

Lovin' you
I'm lovin' you
An open book, an open door
That's what you are and I thank you for
The heart you give that's sensitive
You're all I need and you're so much more

I used to fill each hour of each single day
Now I slow it down enough to say "hey, hey"

Lovin' you, it's all I want to do
For the rest of my life
This feels so right
I'm lovin' you, it's all I want to do
For the rest of my days
I like the way I'm lovin' you

I'm lovin' you
Don't you know I'm lovin' you

I like the way, I like the way, hey
(Everyday)
Everyday
(Every night)
Holding me close
(Never had another make me feel so right)
Oh
(Never have another)
Never make me feel the way you do
(Never let you go)

Lovin' you, it's all I want to do
For the rest of my life
This feels so right
I'm lovin' you, it's all I want to do

For the rest of my days
I like the way I'm lovin' you
(Repeat 4x)

You showed me what love could be, yeah
It's all right
