It's just the way you touch me  
I just can't get enough of you  
Oh

You see through me  
Like a new moon  
Mirrors can't see right (right right right)  
Lipstick on your neck like cologne  
Wear me out all night

I'm bout that action like on a big screen (t-v)  
We ain't gon' keep it PG  
You make me, lose self-control  
I don't know if I'm high or low  
You make me lose self-control  
I don't know if I'm high or low  
You make me lose self-control, trol(10x)

Sometimes I just want you to...

Know what I'm talking about  
Know what I'm talking about  
Know what I'm talking about  
(Make me, make me yours)  
Know what I'm talking about (drop drop)  
Know what I'm talking about (self-control)  
Know what I'm talking about  
(You make me lose self-control)  
Know what I'm talking about  
Know what I'm talking about  
Know what I'm talking about  
(You make me, you m-make me)  
Know what I'm talking about  
Make me yours  
Like you hate me  
Cause you love me, aha

You can have me  
Go 'head use me  
Feels so wrong but right (right right right)  
Touch me tease me how you please me  
Boy you blow my mind
