

## Hol' on boy

Kristinia DeBarge

Don't make me have to remind you  
This ain't where you live  
I ain't gave you no kids  
Why you tryna make it more than it is?  
Don't make me have to remind you  
Who the fuck pays these bills  
You trippin' for real  
Slow down, you ain't got no chill

You got me  
Confused with another one of those T-H-O-Ts  
All my ladies  
When he act crazy  
Tell him that he better

Hol' on, boy, hol' on boy  
Who you think you is?  
Hol' on, boy, hol' on boy  
I don't play that shit  
Hol' on, boy, hol' on boy  
Boy you can't run me  
So hol' on, boy, hol' on boy

You act like you run the town  
Why your boys follow me around?  
Showin' up unannounced  
Boy what's that about?  
Oh you know what's up  
Ain't fly how you actin'  
Boy I can't tell if passion  
Bout to get the wrong reaction

You got me  
Confused with another one of those T-H-O-Ts  
All my ladies  
When he act crazy  
Tell him that he better

Hol' on, boy, hol' on boy  
Who you think you is?  
Hol' on, boy, hol' on boy  
I don't play that shit  
Hol' on, boy, hol' on boy  
Boy you can't run me  
So hol' on, boy, hol' on boy

I ain't your boo, yeah  
Back that thang up  
I know I look good, but  
Back that thang up  
Though you fine as hell, too  
Back that thang up  
He lacks a little bit, but  
Back that thang up  
I ain't your boo, yeah  
Back that thang up  
I know I look good, but

Back that thang up  
Though you fine as hell, too  
Back that thang up  
He lacks a little bit, but  
Back that thang up

Hol' on, boy, hol' on boy  
Who you think you is?  
Hol' on, boy, hol' on boy  
Wait a minute, boy  
You ain't messin' with a dummy, so please  
Hol' on, boy, hol' on boy  
Hol' on, boy, hol' on boy  
Hol' on, boy  
Hol' on, boy, hol' on boy  
Who you think you is?  
Hol' on, boy, hol' on boy  
I don't play that shit  
Hol' on, boy, hol' on boy  
Boy you can't run me  
So hol' on, boy, hol' on boy

Hol' on, boy, hol' on boy  
Hol' on, boy, hol' on boy  
Hol' on, boy, hol' on boy
