

# Choir Boy

Krizz Kaliko

Is anybody listening  
Can anybody hear me  
Is everybody listening  
Can everybody feel me

When I was little, my momma would sing about ya, she'd sing about ya  
Then I got to thinkin' of me without ya, where'd I be without ya?  
(You Gave) Me more than just a little bit  
(You Save) Me more than just a little bit  
(My Life) I never would get over it  
(Survive) I really shoulda' been dead  
I feel tainted, embarrassed for you to SEE ME  
And I'm prayin' that you'll never leave me

(I'm your)Choir Boy!  
Somebody help me (Somebody help me)  
Somebody save me (Save me), I'm losin' the faith that you gave me  
(I'm your)Choir Boy!  
My Momma's worried (My Momma's worried)  
I'm Gonna hurt me (Hurt Me), I'm Godly, but I'm just to worldly

Choir Boyy!

Is anybody listening  
Can anybody feel me  
Is everybody listening  
Can everybody feel me

Caught up in the middle, I straddle the fence  
Your always my only good friend, yeah  
Watch over me and make me believe it  
Prepare me so that I can receive it

(I'm your)Choir Boy!  
Somebody help me (Somebody help me)  
Somebody save me (Somebody Save me), I'm losin' the faith that you gave me  
(I'm your)Choir Boy!  
My Momma's worried (My Momma's worried)  
I'm Gonna hurt me (Hurt Me), I'm Godly, but I'm just to worldly

See the devil is waitin' on ya  
The Creator is waitin' on ya (ahaa)  
What side will ya choose,  
It's wrong or it's right, It's black or it's white  
You can lose if you listen to the fake bologna  
I see you sat and up use  
Can't do enough to pay ya' dues  
Get the good book, follow the rules  
And faith is the only way to get to the gateway safe  
And kick it with the King of Jews (Come on)

Choir Boy!  
Somebody help me (Somebody help me)  
Somebody save me (Save me), I'm losin' the faith that you gave me  
(I'm your)Choir Boy!  
My Momma's worried (My Momma's worried)  
I'm Gonna hurt me (I'm Gonna Hurt Me), I'm Godly, but I'm just to worldly

(Choir Boy)
