

# Didn't Wanna Wake You

Krizz Kaliko

What we are is what we are  
What we feel is what we feel  
O-Kay

There's a part of me you don't see  
There's a part of me that don't bleed  
Godspeed if you only knew  
And if it's hurtin' we throw it away  
And we live to fight another day  
Pray for me, and I'll pray for you  
But some things are left unsaid  
We killed, yet undead  
Hurts like hell but I'm try'na make it heavenly, heavenly, heavenly

I would have told you how I feel  
But my feeling's almost gone  
I wanna scream out something real  
(Yes, there's something wrong!)  
What we are is what we are  
(Ay, ever told you something like)  
What we feel is what we feel

Right, you better guard your heart  
Cause it's going down  
You better hold your love  
Cause I'll let you down  
Right?

Picture one, picture you, preach it  
Picture you as a new creature  
Godspeed if you only knew  
And if we're dirty we throw it away  
We do it to get another day  
Maybe baptized will make us new  
But some things left unsaid  
We killed, yet undead  
Hurts like hell but I'm try'na make it heavenly, heavenly, heavenly

I would have told you how I feel  
But my feeling's almost gone  
I wanna scream that it's something real  
(Yes, there's something wrong!)  
What we are is what we are  
(Ay, ever told you something like)  
What we feel is what we feel

Right, you better guard your heart  
Cause it's going down  
You better hold your love  
Cause I let you down  
Right?

So wipe that smile off your face  
Might not like what you taste  
But I can make it look good to you  
Don't I make it look good to you  
And I'm feelin' disgraced

So maybe your smile's out of place  
It hurts like hell but I'm try'na make it heavenly, heavenly, heavenly

I would have told you how I feel  
But my feeling's almost gone  
I wanna scream that it's something real  
(Yes, there's something wrong!)  
What we are is what we are  
(Ay, ever told you something like)  
What we feel is what we feel  
Right?  
You better guard your heart  
Cause it's goin' down  
You better hold your love  
Cause I let you down  
Right?  
You know I didn't wanna-
