

# Get Around

Krizz Kaliko

Kali baby!

Gave me gave me, you not offer baby, shame on you  
Now I'm naming you with gangs of babes I gave it to  
Now it's front of you, I know you know I want it too  
We stay cuckoo cause I get around

(I get around)  
Just let me do what I do  
(Don't hold me down, down, down)  
I wouldn't do it to you  
(It's alright)  
If you wanna act like a hoe  
(For one night)  
As long as you know

(That I get around)  
Way-oh, way-oooh  
(That I get around)  
Way-oh, way-oooh  
(That I get around)  
Way-oh, way-oooh

'Scuse me, what you want from me?  
Sme shoe, what they want from you?  
Whatever happened to the groupies?  
Who wanna meet me just to do me  
We ain't gotta get off crazy  
I ain't called ya, now ya hate me

(I get around)  
Just let me do what I do  
(Don't hold me down, down, down)  
I wouldn't do it to you  
(It's alright)  
If you wanna act like a hoe  
(For one night)  
As long as you know

(That I get around)  
Way-oh, way-oooh  
(That I get around)  
Way-oh, way-oooh  
(That I get around)  
Way-oh, way-oooh

[Verse 3: Krizz Kaliko]  
'Scuse me, what you want from me?

Boner, bigga boota (yeah!)

It's Kali, a magnum for the women  
You gave it up cause you was not at my show  
I'm going just till they letting me go  
Talking with fans, they like Kali sound  
But don't falling of with me, baby!

(I get around)  
Just let me do what I do  
(Don't hold me down, down, down)  
I wouldn't do it to you  
(It's alright)  
If you wanna act like a hoe  
(For one night)  
As long as you know

(That I get around)  
Way-oh, way-oooh  
(That I get around)  
Way-oh, way-oooh  
(That I get around)

Living a making  
And no vickie completely I'm taken  
Into the muttin but I'm leaving her something  
Got her something, but I'm leaving you money  
For the wanton  
Many moves I get it  
Any poon I wet it quit  
Can't let it sit, I ain't got no etiquette  
Women are fetishists, eat em up like lettice  
And feder, chedder and then my vendetta

(I get around)  
Just let me do what I do  
(Don't hold me down, down, down)  
I wouldn't do it to you  
(It's alright)  
If you wanna act like a hoe  
(For one night)  
As long as you know

(That I get around)  
Way-oh, way-oooh  
(That I get around)  
Way-oh, way-oooh  
(That I get around)  
Way-oh, way-oooh
