Krizz Kaliko

Kortney sends your love
Okay, Kaliko baby

Would you send your love to me?
Send your love

I got your message when you tweeted me
And you're askin me when I'm free
Said you left it in the form of a letter
You e-mailed me to make me feel better
And a drive with mellow and a smiley face
I can update my status when I'm at yo place

That means face time with you and me
When you upgrade to 4G
You gotta send your love

Send your love
Send your love
Baby... your love
Send your love
Send your love
Send your love
Send your love

Baby as a hotspot
Use me when your contracts
Choose me as your Facebook friend
I'll poke you all over again

Gotta send your love
Send your love
Send your love
Baby, send your love
Send your love
Send your love
Send your love to me, girl
Send your love
Send your love

Just let me Skype with you tonight (tonight)
We're free to...
