

Boys Nite Out

Krokus

Party time pass the wine
Anything goes tonite
Shoot the moon call the tune
Nobody's gettin' uptight

See the girls gettin' on down
Dancin' and doin' it hot
Snakey hips sexy lips
Givin' it all that they've got

Steppin' outside ready to ride
The boys are on their way
Burnin' steel spinnin' wheels
Better get out of their way

Never surrender...go all the way

On a boy's nite out
On a boy's nite out
Gonna scream...gonna shout...
On a boy's nite out

Dream machine driver's dream
Take me on this flight
Worked till noon got her tuned
Don't let me down tonite

We're gonna make it
We're gonna take it
Take it to the edge tonite
Follow the noise
And the boys
