Boys Nite Out

Krokus

Party time pass the wine Anything goes tonite Shoot the moon call the tune Nobody's gettin' uptight

See the girls gettin' on down Dancin' and doin' it hot Snakey hips sexy lips Givin' it all that they've got

Steppin' outside ready to ride The boys are on their way Burnin' steel spinnin' wheels Better get out of their way

Never surrender...go all the way

On a boy's nite out
On a boy's nite out
Gonna scream...gonna shout...
On a boy's nite out

Dream machine driver's dream
Take me on this flight
Worked till noon got her tuned
Don't let me down tonite

We're gonna make it
We're gonna take it
Take it to the edge tonite
Follow the noise
And the boys
