

# Celebration

Krokus

want you  
To hear the cry  
Throughout the night  
We know what it means  
The new is old  
And red is white  
The law they preach  
Ain't what it seems  
I want you  
To hear the noise  
We'll take the world  
And gonna shout and scream

Celebration  
Destination  
Celebration  
Of your life
