Doggy style - text

She called me up when my life was grey
Please do me a favor I got a critical day
I'll be at your door in a minute or two
I'll tell you exactly what we got to do

And there she stood, the girl of my dreams
With her cuddly toy chewing at her seams

She's coming my way
My queen for a day
Hung up on her smile
She's got me doggy style

She's coming my way...

Five pairs of shoes - to name just a few
Stains on the carpet and a broken hooka too
Well I'll tell you right now it wasn't such a thrill
But she promised for sure she would come and pay the bill

And there she stood, the girl of my dreams
With no one but me to chew at her seams

She's coming my way...

She's coming my way...

And there she stood, the girl of my dreams
With her cuddly toy chewing at my seams

She's coming my way...

She's coming my way...

She's coming my way...
