

Wild Love

Krokus

I got somethin' on my mind
Wild love, it's so hard to find
Sweet little woman, come out and play
Let the games of passion carry us away

I wanna know, just tell me so
We've got the rhythm, let it grow

I want wild love
Hot lovin' (Ooh!)
I need wild love
Come on, come on!

She's got the devil in her heart
She teases me, oh no, I'm fallin' apart
Love me, sell me, hurry, I can't wait
You better stop this torture, honey, anyway

I wanna know, just tell me so
We've got the rhythm, let it roll

I want wild love
Hot lovin' (Ooh!)
I need wild love
Come on, come on!
I want wild love
Hot lovin'
I need wild love
Come on, come on!
O'yeah yeah yeah
Gimme some lovin'

I want wild love
I need wild love
Come on, come on!
Yeah!

I want wild love
Hot lovin' (Ooh!)
I said I need wild love
Come on, come on!
I want wild love
Hot lovin' (Ooh!)
I need wild love
Come on, come on!
Come on, come on!
Come on, come on!
Yeah yeah yeah
Yeah yeah yeah
