Digital communication
Information deformation
Media manipulation
Character assassination
Nationwide intoxication
Socio-manipulation
The wonders of civilization? A generation victim to emotional decapitation
Yes, it's worse than it may seem
Machines create our dreams
We pretend that we are blind to find some peace of mind
Deny
Shut your eyes, keep living the lie
Like there's no tomorrow
Denv
Shut your eyes so you won't realize...
... there might be no tomorrow after all
Visual contamination
Electronic penetration
Technological temptation
Sexual degeneration
Synthetic imagination
Artistic demystification
Mind sedated isolation
A generation victim to emotional disintegration
Yes, it's worse than it may seem
Machines create our dreams
We pretend that we are blind to find some peace of mind
Deny
Shut your eyes, keep living the lie
Like there's no tomorrow
Shut your eyes so you won't realize...
Deny
... there might be no tomorrow after all
Yes, it's worse than it may seem
Machines create our dreams
We pretend that we are blind to find some peace of mind
Deny
Shut your eyes, keep living the lie
Deny
Like there's no tomorrow
Shut your eyes so you won't realize...
... there might be no tomorrow after all
