

## Live to Fight Another Day

Kryteria

Searching for you, running round in circles all the  
time  
I can't find you, guess I'll have to keep on running  
yet another mile  
Endless searching, still I won't quit believing you'll  
be mine  
I will find you, I will find you, even if it means I'm  
searching till the day I die

I'll live to fight another day for you  
And I'm gonna find a way to you  
I'll live to fight another day for you  
One day I'm gonna find my way to you

I will keep on searching, keep on looking for you all  
my life  
Till I find you, till I find you, even if it means I'm  
searching till the end of time

I'll live to fight another day for you  
And I'm gonna find a way to you  
I'll live to fight another day for you  
One day I'm gonna find my way to you

I'll live to fight another day for you  
And I'm gonna find a way to you  
I'll live to fight another day for you  
One day I'm gonna find my way to you

I'll live to fight another day  
I'll live to fight another day  
I'll live to fight another day  
One day I'm gonna find my way to you
