Krypteria

So you think you're smart  
I recommend you check again cause you are not  
I should have seen your true colors right from the  
start  
Well, better late than never

I'll try to make this quite clear  
It ain't pretty but at least I am being sincere  
Ya ready? I got something to get off my chest  
If only for the record

I recommend you check again, you're just a fraud  
I finally called your bluff, now I'll rough you up  
Well, better late than never

I'll try to make this quite clear  
It ain't pretty but at least I am being sincere

If only for the record
