

Abominable Bitch

Kryptor

Another night of blow-job passion
wet desires, dirty action
a wanton body withers with lust
your bizarre lifestyle writhes in disgust.
Feeling great in self - illusion
allegiant to perverted fusion
you take your lust, you give your flesh
tonight a backstage-queen, tomorrow trash!

Big tits stupid whore
red hot sick slut
strapped in leather sleazy wench
fist fucked abominable bitch!
Needing them all you howl for more
hitting the sheets, brushing the floor
your favourite band - today you feast
soon growing old - tomorrow you fust!
Oh you fucking whore, eat my cum!!!
