

Anyone Else

Krystal Keith

It ain't always easy
Loving somebody
That you can't live without
You can drive me crazy
But somehow baby
You pull me back around
Even on our worst days
When we're fighting just like enemies
There's no doubt in my mind
You're the only one for me

I wouldn't get in my car
Drive across town
If you were anyone else
I wouldn't stand in the rain
Willing to make a fool of myself
No I wouldn't give in
Just to taste your kiss
And you know damn well
I wouldn't fight like hell
If you were anyone else
If you were anyone else

Sometimes I hate you
At least I want to
But I just can't stay mad
I love you enough
To take off my gloves
And just reach out my hand
I make it far enough
To let the dust settle down
Fast as I left
I'm always turning back around

I wouldn't get in my car
Drive across town
If you were anyone else
I wouldn't stand in the rain
Willing to make a fool of myself
No I wouldn't give in
Just to taste your kiss
And you know damn well
I wouldn't fight like hell
If you were anyone else
If you were anyone else

If I could imagine
Life without you in it
And forget that I loved you

Then I wouldn't get in my car
Drive across town
If you were anyone else
I wouldn't stand in the rain
Willing to make a fool of myself
No I wouldn't give in
Just to taste your kiss

And you know damn well
I wouldn't fight like hell
If you were anyone else
If you were anyone else
If you were anyone else

It ain't always easy
Loving somebody
That you can't live without
