

Happy

Kshmr

You take my heart for weakness
You cut me up and bleed me dry
I won't be defeated
I never ever ever ever felt so alive
You take my heart for weakness
But don't you know big girls don't cry
I won't be defeated

I feel so happy I could die
I could die, I could die, I could die
So happy I could die
I could die, I could die, I could die
You are the reason why
I feel so happy I could die

Everywhere I go feels different now
I'm lost but I really don't mind
There's beauty in the pain I can see it now
Even if I'm living a lie

Whoh
I'm falling you I'm falling apart
But it's fine
Whoh
I'm dying, yeah
I'm dying to start my life

You take my heart for weakness
You cut me up and bleed me dry
I won't be defeated
I never ever ever ever felt so alive
You take my heart for weakness
But don't you know big girls don't cry
I won't be defeated

I feel so happy I could die
I could die, I could die, I could die
So happy I could die
I could die, I could die, I could die
You are the reason why
I feel so happy I could die

Everywhere I go feels different now
I'm lost but I really don't mind
There's beauty in the pain I can see it now
Even if I'm living a lie

Whoh
I'm falling you I'm falling apart
But it's fine
Whoh
I'm dying, yeah
I'm dying to start my life

You were my safety
My destructor
Each time you break me

I get tougher

You take my heart for weakness
You cut me up and bleed me dry
I won't be defeated

I feel so happy I could die
I could die, I could die, I could die
So happy I could die
I could die, I could die, I could die
You are the reason why
I feel so happy I could die
I could die, I could die, I could die
So happy I could die
I could die, I could die, I could die
You are the reason why
I feel so happy I could die
