

## Lies

Kshmr

Oh, my heart is in my mouth  
And it's beating way too loud  
Oh yeah, oh, oh yeah  
Oh yeah, oh

Ten thousand volts shoot in between us  
There you go, loosening my weakness  
Lead me astray one more time  
You're on my mind (you're on my mind)

I know I said I could forget you  
When I told you, I lied  
Every time I try to regret ya  
I remember, I lied

Haven't you heard, I got it all  
On top of the world, I'm breathing  
You'll never know  
What's [?]  
And I'lll [?] the memories  
Of those who buried me  
Lead me astray one more time  
You're on my mind

Know I said I could forget you  
When I told you, I lied  
Every time I try to regret ya  
I remember, I lied

Know I said I could forget you  
When I told you, I lied  
Every time I try to regret ya  
I remember, I lied
