Why does it feel like  
Like everything is magic with you  
You make me feel like  
You make me feel like, I'm magical too

Why does it feel like  
Like everything is magic with you  
You make me feel like  
You make me feel like, I'm magical too

Why does it feel like  
Like everything is magic with you  
You make me feel like  
You make me feel like, I'm magical too

Magic with you

Why does it feel like  
Like everything is magic with you  
You make me feel like  
You make me feel like, I'm magical too

Magic with you
