

Touch

Kshmr

Yeah, we want it all, oh, it's impossible
We could lose it all in the garden of our life
If we take it all, taste the forbidden fruit
Will it break us all?
We'll know, we'll know when we touch

We'll know when we touch
We'll know when we touch
We'll know, we'll know when we touch
We'll know, we'll know

Yeah, we want it all, oh, it's impossible
We could lose it all in the garden of our life
If we take it all, taste the forbidden fruit
Will it break us all?
We'll know, we'll know when we touch

We'll know when we touch
We'll know when we touch
We'll know, we'll know when we touch
We'll know, we'll know
