(Go Grizz)  
(Molly Made)

I cannot pretend if I don't  
I can tell the fake from the fraud  
Out here checking chips for the bank  
That's why I can't be no friends with no cap

With no cap, with no cap, with no cap  
With no cap, with no cap, with no cap  
With no cap, with no cap, with no cap  
With no cap, bitch, that's cap

Fuck up the city  
My bitch she bad and she did it  
Put the Patek on her arm, she litty  
Ice, ice cold, cold, frigid  
I was on the road, kilo, tryna get it  
I will not sell my soul for a billion  
Drop Mulsanne, gotcha main man  
Ridin' through the city when I fuck with the gang  
Shawty got stuck with the gang  
Bent the ben, take her when you pullin' up, range  
These niggas cap, they lame  
I'ma put the AP on, make it rain  
She bad, she a animal, get tamed  
Pouring up the mud in the Fanta drank  
Homes, you a dud I'ma hit you with the flame  
Took these hoes, Offset and the gang  
These niggas broke, oh shame oh shame  
Bust my neck, my wrist, my frames  
Bust yo bitch, give the rest to the gang  
Bust my clip, fuck a vest I got aim  
Fuck nigga talkin' on Twitter say your name  
I'ma pay ten rack, they gon' get your brain  
Ridin' in the Benz Maybach, what's your name?  
I'ma drip, drip Gucci down, Gucci 'caine

I cannot pretend if I don't  
I can tell the fake from the fraud  
Out here checking chips for the bank  
That's why I can't be no friends with no cap

With no cap, with no cap, with no cap  
With no cap, with no cap, with no cap  
With no cap, with no cap, with no cap  
With no cap, bitch, that's cap

Cooling a bitch tryna find me  
My bread, that shit cookin' is grimey  
The product they're selling like pallets  
My putty, I glue it like Pritt Stick  
Payin' the crystal for surfing  
Catchin' a wave, nigga fishin'  
People hissin', cuttin' their hands in the kitchen  
Snakey slimes, they sell out a mate for dimes  
Pay 200k for rhymes, I get 200k for the views

I paid 500k for a cat  
I got 500k for that river  
Niggas on different cheddar  
Fuck around with that blue cheese and that mozzarella  
Edit the show, got my blue trees  
Open the garden with few keys  
Hellen Keller, one show and they panic  
I don't stop winnin', I swear I'm an addict  
Automatic, competition is viewless  
Cinematic when I kill it like Kula  
They go manic, they don't win, I'm in it  
Overtime when I dunkin' the cynic

I cannot pretend if I don't  
I can tell the fake from the fraud  
Out here checking chips for the bank  
That's why I can't be no friends with no cap

With no cap, with no cap, with no cap  
With no cap, with no cap, with no cap  
With no cap, with no cap, with no cap  
With no cap, bitch, that's cap
