

Domain

KSI

This is the domain (Chi), gassed up like propane (Chi)
Glowed up with gold chains (Mmm)
Bulked up with new gains (Mmm)
I'm from the World Wide Web, how I'm catchin' all these fuckin' vermin
Still I'm burnin', why they concernin' over the shit I'm earnin'?
Domain, gassed up like propane (Mmm)
Glowed up with gold chains (Chi)
Bulked up with new gains (Chi)
I'm from the World Wide Web, how I'm catchin' all these, fuckin' vermin
Still I'm curvin', I'm just confirmin' all of the shit I'm learnin'

Yeah, and I switch it up like I'm Shyamalan (Mmm)
Splittin' up how I'm making money and I stay a villain like a ShadowKahn
Nigga had to switch it up another level with the transformation, Megatron
Hungry girl wanna come along
Come fast like Ramadan
Oh, shit, now, I'm on my biz like pow
Fatal like I'm Kung Lao
I'm killin' it while the accountant is billing it
Bringin' in wishes, Dende
Athletic like I'm Llorente
My body lookin' excellente
They don't wanna hear that, toupee
Bringin' the juice (Oh yeah)
Come with the smile, break through like Kool-Aid
I make the news, 'cause I come with the fight or the fact that I'm too paid
Too made, I'm from that new age
Mad at the fact that I'm still on the map, still wanna rap
Knowin' that I still wanna snap, still wanna scrap

In my domain (Chi), gassed up like propane (Chi)
Glowed up with gold chains (Mmm)
Bulked up with new gains (Mmm)
I'm from the World Wide Web, how I'm catchin' all these fuckin' vermin
Still I'm burnin', why they concernin' over the shit I'm earnin'?
Domain, gassed up like (Chi,Chi)
Gassed up like

Your greatest enemy
Empathy, I'm feelin' numb to it (Yeah)
Feelin' better now I cut it off (Yeah)
Visualisin' all the fun to it
Shit don't even fuckin' matter
Fuck your social ladder, fuck your social feelin' (Yeah, yeah)
I don't give a fuck about a social figure, nigga (Cyeah, cyeah)
Keep on playin' though (What?)
I'm the winner and I keep on sayin' so (What?)
I'm the sinner, but you still ain't makin' dough (Raw)
No one can break down my colony (Colony)
Look at my catalogue, I'm a different nigga in the toughest economy (Economy
)
I came from the analogue
Now I went with the digital, I'm the new pinnacle
I'm bitin' like I'm a dog, refusin' to let it go
Critical
