

# Goes Off

KSI

Ay, KSI

They see us now we're on the internet  
We don't care bout what they say or what they said  
Let them know that this is my house  
We're blacking out like somebody just turned the lights out

It goes off like

We know that it (Goes off!)  
She knows that it (Goes off!)  
We know that it (Goes off!)  
Every time we roll up say  
We know that it (Goes off!)  
She knows that it (Goes off!)  
We know that it (Goes off!)  
Every time we roll up say

Um, roadblock  
Every time we show up  
Bangers that we load up  
Make your Grandma's do the robot  
Haters they get no love  
Ladies looking so hot  
We should play strip FIFA  
Goals and goals then clothes off  
Snap, snap, go hard  
Go fast when I drove past  
When I hit the club, drinks on me  
No limit tab, no plan B  
Cuz, this ting is so nuts  
Whole crowd with their phones up  
Posing for a picture now I'm ready for my close up

They see us now we're on the internet  
We don't care bout what they say or what they said  
Let them know that this is my house  
We're blacking out like somebody just turned the lights out

It goes off like

We know that it (Goes off!)  
She knows that it (Goes off!)  
We know that it (Goes off!)  
Every time we roll up say  
We know that it (Goes off!)  
She knows that it (Goes off!)  
We know that it (Goes off!)  
Every time we roll up say

It goes off in my crib  
It goes off in my town  
I roll in heavy, Watford boy  
And then I shut it down  
Come up then we load up  
Playing then we show up  
Screaming 'cos we blew up

Fuck the fame I'm here to turn up  
Motherfucker I'm a nerd  
Still I'm catching birds  
Dissin' stop your bitchin'  
Made the riches with my words  
Making pasta in the kitchen  
Shit is finger licking  
Now they acting so suspicious  
'Cos my serving so delicious

They see us now we're on the internet  
We don't care bout what they say or what they said  
Let them know that this is my house  
We're blacking out like somebody just turned the lights out

It goes off like

We know that it (Goes off!)  
She knows that it (Goes off!)  
We know that it (Goes off!)  
Every time we roll up say  
We know that it (Goes off!)  
She knows that it (Goes off!)  
We know that it (Goes off!)  
Every time we roll up say  
We know that it (Goes off!)  
She knows that it (Goes off!)  
We know that it (Goes off!)  
Every time we roll up say  
We know that it (Goes off!)  
She knows that it (Goes off!)  
We know that it (Goes off!)  
Every time we roll up say
