

(The vision is clearer)
(You are evolving)

I don't give a fuck about your social status
I don't give a fuck put it up your anus
I don't give a fuck about your new attire
I don't give a fuck, my dick a pacifier
I don't give a fuck bout what you wanna do
I don't give a fuck like no one ever knew
I don't give a fuck it, on't sit well with me
I don't give a fuck, that's how it better be

I don't give a fuck bout what you wanna
Mortal Kombat beating yeah, I swear it on my mamma
I - hate the fact that you wanna tweet
Words at me are so obsolete
Do not care so don't humble me
All that fakey shit It don't run with me
(Okay)

I'm from the land of the O
OP OG ruler no length on a nigga
Tracker on me like an AC
Checking the time on my AP
I'm not a fan of your AT
Beefing with me then I maybe
Ended some but I'll make the space for them other ones
You think you're the shit
Snapping the pic proving your life is lit
Is that how it is?
Do us a favour and sign out
You on an edge of a cliff
Know that you getting no hand out
Dragons den and now listen
Heard your idea and I'm telling you out now
I'm out

I don't give a fuck about your social status
I don't give a fuck put it up your anus
I don't give a fuck about your new attire
I don't give a fuck my dick a pacifier
I don't give a fuck bout what you wanna do
I don't give a fuck like no one ever knew
I don't give a fuck it don't sit well with me
I don't give a fuck that's how it better be

I don't give a fuck bout what you wanna
Mortal Kombat beating yeah, I swear it on my mamma

My - bank account, it got commas
Know that every year I go harder, stronger longer
Dick grow longer, fuck your pills go get me that rubber
Nigga I'm living life like Obama, did my term
Now fetch me that llama
I'mma go in like we in Pearl Harbour, make a man cry Nicole Arbour
Niggas they fishing but I see the bait
I'm at the top all the hate do not trouble me
I've made a couple P, people they follow me, no ones above or below were in

line of (equality)
I'm not the one to be led by the hand of authority building my colony
Making it quality don't try to rumble me
Moving like Lorde cause I'm Royally taking a shit on your prophecy
Telling me I won't be the shit
Nigga I'm the one that's lit
I'm so lit
Now you wanna take my shit
I do not care one bit
Peace

I don't give a fuck about your social status
I don't give a fuck put it up your anus
I don't give a fuck about your new attire
I don't give a fuck my dick a pacifier
I don't give a fuck bout what you wanna do
I don't give a fuck like no one ever knew
I don't give a fuck it don't sit well with me
I don't give a fuck that's how it better be
