

No Pressure

KSI

(Ayo Beatz)

She love it when I spray like cologne
Dior Sauvage
Dripping in diamonds, I don't do mirage
Fly you to islands, Like Mykonos
Give you a view that's ridiculous
So ridiculous, make you crazy
Give her good time, she want baby
With that bunda she pack, I'm like maybe
VVS on the neck, that's like eighty
I'm too wavy, I'm winnin' on every beats
Know that it's charting whenever I feat
Money's no problem, I get an excess
Scorin' a worldie and do it finesse
And she lovin' it, I don't know what a budget is
Man go craze 'cause that body lit
Call me sloppy, you're a bitch in public, yeah, yeah

I'm just tryna put you on the next thing
I ain't got no cruel intentions
Know them other man in your mentions
I can get you flexin' on your exes
No pressure, but you know that my braids are
I know that you got man pressure
'Cause that body dumb extra, extra

I am the WizKid, you no stress me
Crystal in Balacies
Cute girl make you nasty
Sister, why so anti?
No, no many don't like me
I don't care, I'm in V.I.P
Pradas and heels so they see me
Extra large with the re-heat
Too chill under my eyelids
Stackin' up money with a quick vid
She lovin' when I come with the gravy
Ha, now she walkin' like Amy
No need to flex with the ra-ta-ta
Your bunny lookin' like a ra-ta-ta
Wanna play with the enemy
She clothed in wolf energy
'Cause I know when to hinder hungry ebony

I'm just tryna put you on the next thing
I ain't got no cruel intentions
Know them other man in your mentions
I can get you flexin' on your exes
No pressure, but you know that my braids are
I know that you got man pressure
'Cause that body dumb extra, extra
I'm just tryna put you on the next thing
I ain't got no cruel intentions
Know them other man in your mentions
I can get you flexin' on your exes
No pressure, but you know that my braids are

I know that you got man pressure
'Cause that body dumb extra, extra
