

You

KSI

Everything I do, I do
I do it all for you, for you
You're the only one
You're the only one
Everything I do, I do
I do it all for you, for you
You're the only one
You're the only one

I guess you can say that I'm fallin'
Didn't expect to be wantin' to tell you I'm all in, no
But now I can't leave you alone
All of my feelings, you own, oh
And now I'm floatin' tonight in the air, can you feel it?
Like this is a callin'
Triple A, leave and I'll get you whenever I'm tourin'
'Cause you know I'm addicted to you, yes, you

Everything I do, I do
I do it all for you, for you
You're the only one
You're the only one
Everything I do, I do
I do it all for you, for you
You're the only one
You're the only one

Girl, you got to me
My heart beats differently
It's like a symphony
And you're the only one who does it
Saint Tropez, got a few vibes
A pretty face or two out in Dubai
Low-key, though, mojitos while we poolside
But none of them movin' like you-I
Can't wait to get back to PJs
Bought diamonds to escape life
Nightlife's cool, I got nothin' against that
But I prefer you over all of the riff-raff

Everything I do (Yeah), I do
I do it all for you, for you
You're the only one (You're the only one)
You're the only one
Everything I do, I do (Do)
I do it all for you, for you (Ohh)
You're the only one (Only, only one, only, only one)
You're the only one (Only, only one, only, only one)

Who, who (You're the only one)
Who (You're the only one)
Everything I do
