

# Unpredictable

KSM

Never sure what's in the future  
Never know, gotta wait and see  
Always ends with a different picture  
Than you thought it would turn out to be, yeah  
Make a plan then everything changes  
Circumstances out of your control  
Your whole world just rearranges  
That's how it goes  
Just when you're ready to rock  
Suddenly the power goes out  
Just when you're not supposed to talk  
Somebody shouts  
"Hey, life's so..."

Chorus:  
Unpredictable  
Ya never see what's comin'  
The future's all the sudden, yeah  
Inexplicable  
Sometimes you think you know  
But life's so  
Unpredictable  
Like rain on a sunny day  
Things don't always go your way  
Inexplicable  
It all turns upside down

Surprise party, read the invitation  
You find out it was yesterday  
The song you sing for a competition  
The other band, they choose the same, yeah  
Sometimes when you least expect it  
Good things can happen, too  
You get a call last minute, hot concert tickets  
Waiting there for you  
Just when you think you're sure  
No solution to be found  
Just when you think it won't work  
It all works out  
"Hey, life's so..."

Chorus:  
Unpredictable  
Ya never see what's comin'  
The future's all the sudden, yeah  
Inexplicable  
Sometimes you think you know  
But life's so  
Unpredictable  
Like rain on a sunny day  
Things don't always go your way  
Inexplicable  
It all turns upside down

Unpredictable  
You never see what's comin'  
Inexplicable

It happens all the sudden

Chorus:

Unredictable

Ya never see what's comin'

The future's all the sudden, yeah

Inexplicable

Sometimes you think you know

But life's so

Unpredictable

Like rain on a sunny day

Things don't always go your way

Inexplicable

It all turns upside down
