

# Nuclear War

KSS

my brother and sister  
my mother and dad  
my friends and enemies  
every one is dead  
she's coming she's near  
I feel his breath  
you hear it  
you feel it  
here comes miss death

stop the war stop this all  
empty heads gun in hends  
mind in chains  
shitty brains  
heads full of shit  
let's destroid it

REF: war war war  
war nuclear war (death)
